Philosophy of Religion: Selected Readings

William L. Rowe, William J. Wainwright

Philosophy of Religion: Selected Readings William L. Rowe, William J. Wainwright

This third edition of *Philosophy of Religion* offers a wide variety of readings designed to introduce students to important issues in the philosophy of religion. The authors have coupled new readings--including essays by Robert M. Adams, Peter Van Inwagen, and William P. Alston--with readings from classical philosophers, offering students an even more comprehensive and well-focused text. Many of the essays are particularly accessible to beginning philosophy students. New essays cover religious pluralism, teleological and moral arguments for God's existence, and the problem of evil. *Philosophy of Religion, 3/e* is an excellent choice for use as a main text or as a supplement for introductory courses in philosophy and religion.
