A Modern Job: An Essay on the Problem of Evil (Classic Reprint) Etienne Giran

Excerpt from A Modern Job: An Essay on the Problem of Evil

There are few writings of which it can be asserted so confidently as of the Book of Job that they are not of an age but for all time. We may, indeed, have to admit that not all times have been capable of appreciating even its general intention, that, more especially, the Christian Church, of whose spiritual heritage it has been perhaps the most unique and certainly the most enigmatical portion, has consistently buried the burden of its message beneath a meaningless mass of allegorical interpretation. Yet no Christian generation has been able wholly to escape the challenge of its mystery. And now that the caprices of allegorism have departed to the limbo of dead sciences, and that modern scholarship has done something to dispel the darkness in which the more obvious meaning of the book had been so long shrouded, that challenge has become still more insistent.

There is no longer, therefore, any excuse for that false reverence which has persistently refused to read this book with open eyes.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
