I was at the edge of the seat the whole time reading this story. The author done a wonderful job and wrote intense and thrilling story featuring very interesting characters.

Unreal is interesting read full of suspense with very satisfying end. I recommend it to all of readers who like good dark action thrillers.

I really enjoyed this book. The only reason I gave 4 stars is because of the minor typos. The book had a movie thriller feel which I totally liked and the book a quick read. Julie and her friend think that their trip to explore the country will be filled adventure and excitement but their trip actually turns horrible when they stop at a small town diner. Their day seems to pick up when they met two men but looks are definitely deceiving...

Warning: For Adult's 18+ only for strong sexual content and violence. Very graphic scenes. You have been warned!
