I am seen by everyone around me as nothing but what is expected as a man. But deep down, Amanda or Mandi as I like to be known, hides the biggest secret of my life and that is my crossdressing/transgender feelings.

This book details my honest and true account of my need to crossdress throughout my life. As you read this book and if you are a Transgender/Crossdresser yourself, you will relate to some and if not the majority of my journey and what Amanda E Smith (Mandi) has been through.

Even to this day, Mandi is still trying to cope with the need to crossdress and the gender issues that are deep within, however this book gives you a detailed account of the stages throughout Mandi's life and the need to crossdress. I share with you my enjoyment of crossdressing, but also my deep inner feelings that go beyond just wanting to dress in women's cloths.
