**Mourning Remembrance: A Collection of Mocking Obituaries Ripped From the Deadlines** Jim Earl  
"There is nothing funnier than wrong when it is done right. Jim does it right." -- Marc Maron "That's Jim, the cloud guy. The guy whose book of fake obituaries has now made me unable to consider eating chicken again." -- Rachel Maddow Mourning Remembrance is a collection of mocking obituaries based on the lives, and deaths, of real people. It's 276 pages of relentless insensitivity for the whole family! Created by Jim Earl, Emmy and Peabody Award winning comedy writer and former staff writer at the Daily Show with Jon Stewart. Mourning Remembrance celebrates the legacies of all those dead individuals whose accomplishments spanned the spectrum from the harmlessly stupid, to the horribly evil, and helped transform our lives into the Orwellian nightmare it is today. Cover art by Tony Millionaire, and illustrated throughout by Nathan Smith.
