Pyramidion:: 7th edition - (black and white) James Norman Kempster B.A.

Is there a Sacred Code hidden in the Pyramids? Here is a story of the revelation of this dynamic number as a key to Heaven and Earth, Space and Time; with dramatic discoveries of synchronicity for major events in history. It promotes an holistic view of life towards unveiling Mother Nature or Mother Mary and her Angels; or the Goddess and her Devas and may be crucial in averting a Third World War. This emerging code served to predict 8 earthquakes during this story's writing with the "Signatures of God" of Solar Eclipses, showing signs from the Winged Sun for the location and timing of Sumatran and Japanese Tsunamis and for Baptismal flooding of New Orleans, the Indus River and Queensland. It reveals eclipse patterns linking lives of great leaders in history: From Buddha to Jesus to Muhammad; from Genghis Khan to Merlin and Shakespeare, Galileo and Nostradamus; Joan of Arc, Karl Marx, Mao Zedong, Stalin; Einstein, Jan Smuts, Roosevelt and Churchill; Gandhi, Benhazir Bhutto and Barack Obama. Hitherto unknown related timing of the major events in history such as a clear link from the Titanic to the 1929 Wall Street Crash; the Atom Bomb to 9/11; Princess Di and the Andromeda Galaxy with Nelson Mandela, JFK, Abraham Lincoln and Barack Obama all linked to Cosmic events from Galaxy alignments like 2012 to Comets and the Winged Sun of Solar Eclipses. This elegant intuitive numerology blends Science and Religion in unified Sound, Colour and Number for all who look to a better understanding of the Plan and Story of Life. An expanded sacred Geometry from circles in the sky with sacred mountains and lakes giving clues to the Secret Chambers in the Pyramids and Sphinx and Signs of the Second Coming of Christ and Avatars. Of use also to ordinary folk in their personal lives with names and family relationships giving holistic meanings from most of the ancient systems like I Ching, Tarot, Astrology, Hieroglyphics, Runes and the English Alphabet. All grounded in the Universal numerical fundamentals of the Chemical Elements. Thus both a Rainbow for Romantics and a Pot of Gold for Realists. "I have loved what I have read. I think the content is at a very high level of energy. I can feel your integrity coming through, your intelligence and wisdom. What makes it so much more accessible is the way you have woven in your own growth and development, experiences, realizations and insights. I congratulate you on a magnificent piece of work. I think this is a life's work and it is deeply impressive and moves me a lot. You show such knowledge, a really fine mind and sensitivity. With application it is also graspable – you have made some of the most difficult concepts so even I could understand. This is no mean achievement! I pray it goes far and wide. I would hold on to the visualization that it will make the New York Times Best Seller List!" Natalia Baker - Book Reviewer for TV show "Free Spirit" – Cape Town South Africa "I just want you to know that your book has a divine purpose in my life. I have read it over and over, making a study of it and discovering with wonder messages written for my life purpose." - Ishtar-Kishline "Very interesting book...Insight to an amazing underlying unity linking time, space and symbol – with nature, events, humanity and the unfolding story of Life on Earth... Lots to think about..." - David de Villiers
