The Ward

Jordana Frankel

The Ward Jordana Frankel

Jordana Frankel's thrilling and imaginative YA dystopian novel *The Ward* is set in a near-future New York City. A catastrophic flood has washed out Manhattan, leaving the rivers polluted, and entire neighborhoods underwater. Some areas are quarantined because of an outbreak of a deadly disease.

The illness, known as the Blight, is killing sixteen-year-old Ren's sister. Desperate to save her sister's life, Ren agrees to lead a secret mission from the government to search for a cure. But her quest leads to a confounding mystery beneath the water and an unlikely friendship with a passionate scientist.

Readers who love speculative fiction and crave action-packed stories similar to Veronica Roth's *Divergent* will find *The Ward* absolutely unputdownable.
